

"The PAC" STUDIO POLICIES

Fall/Spring 2021-22

Please read the following information carefully. By completing your registration on-line or in the studio, you are stating that you have read, understand, and agree to the policies of The PAC..

REGISTRATION: Fees to register online or in studio are \$40 per child.

Our normal Fall/Spring session starts **August 23** and ends with the Recital end of May or early June.

Your registration fee and 1st tuition payment is due at registration. Subsequent payments due on the 1st of each month.

TUITION:

30 minute class per week	\$500 for the year.	10 equal monthly payments of \$50	August thru May
45 minute class per week	\$600 for the year.	10 equal monthly payments of \$60	August thru May
60 minute class per week	\$700 for the year.	10 equal monthly payments of \$70	August thru May
75 minute class per week	\$800 for the year.	10 equal monthly payments of \$80	August thru May
90 minute class per week	\$900 for the year.	10 equal monthly payments of \$90	August thru May

Company classes, longer classes, and classes level 4 and up are more per month.
Unlimited classes \$300 per month per child.

Tuition is **generally** \$70 per month, for a 1 hour class a week. Additional classes are at a **10%** discount each. This 10% discount also applies to all classes a sibling living in the same household registers for. More advanced classes and longer classes may be a little more.

For example: If Mary takes a 1 hour Ballet/Tap/Jazz combo class, which is \$70 per month, and sister Susie takes a 45 minute Hip Hop which is \$60 per month, the Hip Hop will be at a 10% discount and will be \$54 per month. Your monthly tuition for the two will be \$70+\$54=\$124 per month. So this family's tuition for the year is \$1,240 broken into 10 equal payments of \$124, Aug-May..

No monthly payment is pro-rated.

Your tuition is the total for the year divided into 10 equal payments. It is NOT based on the number of classes you attend each month. This monthly amount remains the same EVERY month no matter how many classes you attend each month. MOST months will have 4 weeks of classes, some months will have 5 classes, some holiday months will have 3 weeks of classes, recital month (usually May) may have 1-3 weeks, but the tuition remains CONSTANT every month. Holiday months will not be pro-rated. The first payment is your first of your 10 equal payments to have the yearly total paid in full, with your last payment on May 1. In the event that recital is pushed into the 1st week of June, there will be no tuition payment on June 1.

Anyone registering from the day registration opens up to and including when classes start in August will have 10 equal payments. Anyone registering in Sept.. will have 9 equal payments, in Oct., 8 payments, etc., etc. Mid-month registrations are not pro-rated.

Once one student takes enough classes to bring their tuition to \$300 or above, they have reached the tuition CAP. This means, that no matter how many more classes they take they will never be charged more than \$300 per month for their tuition.

During the year, instead of regular classes, there will be a couple of other necessary normal studio activities such as costume measurements, costume distribution meetings, recital pictures, recital rehearsals, etc. These events are part of the normal dance school year schedule and do not affect tuition and will not have make-up classes.

The final tuition payment is May 1. Although you may not attend "normal classes" every week in May, because of recital, we will be having recital rehearsals, and the recital. The total hours we spend working with your child rehearsing for recital and working with them AT the recital, should be at least about equal to or exceed the amount of hours spent in class during a "normal" month. They are still being educated on dance, performance, and production, even though they are not IN a typical classroom environment the entire month. Note, due to venue availability, recital may be pushed into early June, but no tuition will be due for June.

PAYMENTS/REFUNDS:

We require every family that registers to place a debit or credit card on file in our **SECURE** software system. Your registration fee and 1st tuition payment will be charged the day you register. All subsequent monthly tuition payments will be automatically charged to your card on file on the 1st of each month, with the final charge on May 1. **Once any fees are charged, there will be no refund.** There is no refund for registration fees, even if the child withdraws before classes start. Refunds will be issued for a first tuition payment only when a student withdraws 7 days or more before the 1st day of fall classes which would be August 16, 2021. Classes begin August 23, 2021. Once classes start, there is no refund for tuition, even if the student doesn't attend. Tuition will be discontinued upon written withdrawal before the first of the next month.

We **do not** accept cash or checks for monthly payments. If you wish to not put a credit card on file, you will need pay for a whole semester at a time, (Aug.-Dec) and (Jan-June) by cash or check. Please speak to someone at the front desk.

In the event of your credit card being declined for any reason on the 1st, our system will send you an e-mail notifying you. Please contact us right away. Any charges not paid by the end of the day on the 7th, will be charged a **\$20 late fee on the 8th.**

You may log onto your account on-line and make payments, see upcoming charges, and update credit cards at any time.

CLASS TIMES/MISSED CLASSES/MAKE UP CLASSES:

Please make sure your student is there and ready for class when it starts. The students do a very important warm up and stretch the first 15 minutes of class. Per our insurance regulations, any student who misses the first 15 minutes of class will not be allowed to take the class. There will be no make-up class when missing due to tardiness. Please be on time as it distracts the class when someone comes in late. This is particularly hard on the little ones!

If WE have to do an unscheduled class cancelation due to a sudden teacher illness or something similar, where we are unable to get a teacher or sub last minute, we WILL offer you a make-up class when possible. If your child misses a class due to illness or other reason, if you choose to, you may do a make-up in another class of equal level, **as long as the make-up class is not "full" to the max number of students already**. Just know that it may be a different teacher, which might be hard on the little ones. We will allow make-ups ONLY through the end of December. After January 1, each class will be working on their own recital dances in class each week, so it makes it very hard for a child from another class to come in during this time. Tuition remains constant and will not be pro-rated for absences for any reason.

TRIAL CLASSES:

We allow 1 free trial class in classes that are not full. If you make plans to try a class, for example, the next week, and in the mean time, people register and the class fills to capacity, you will not be allowed to do a trial in that class. So it's a good idea to check with us that day before you come.

WITHDRAWING FROM A CLASS:

In the unfortunate event that your child needs to withdraw from a class for any reason, we MUST have a written withdrawal on file **BEFORE** the 1st of the upcoming month to avoid tuition being charged. You can do this by sending an email to office@PACdance.com OR by filling out a withdrawal form at the front desk. When emailing a withdrawal, please include the date, the child's name, class, teacher, and reason for withdrawal. Withdrawal's given to us on or after the 1st, after tuition has been charged for that month, will go into effect on the 1st of the upcoming month. Any tuition, costume fees, or recital fee's that have been paid will be non-refundable. If you paid for costumes, then withdraw, you will still get the costumes.

HOLIDAYS/CLOSINGS:

We "typically" follow KLEIN ISD calendar for school closures for Holidays. However, there are exceptions. So please, always read our emails and bulletin board postings to be aware of any closings or non-closings. There are no make-up classes for Holiday closures. Classes canceled due to inclement weather or weather related events, or non-weather related events such as power outages, will not have a make-up class and there will be no pro-rating of tuition.

RECITAL:

We have one big recital at the end of our season, usually end of May or early June. We encourage all students to participate in recital. Please contact the office with conflicts. Recital fees are \$90 for 1 child, \$60 for 1st sibling, and \$40 for each additional sibling. Recital fees will be charged to your card on file on **February 1st**. Once recital fees are paid, there is no refund even if your child later withdraws. We hold studio rehearsals the week before recital. These rehearsals are mandatory for participation in recital. Recital fees include a trophy, 4 tickets for 1 dancer or 6 tickets for 2 or more dancers. Fee also goes toward the venue rental, security, insurance, backdrops, props, techs to run sound and lighting, and PAC staff, etc. Additional tickets can be purchased for \$10 each.

RECITAL COSTUMES:

We take measurements for costumes in October. (We DO add extra room to allow for growth! ☺) You pay for them on Nov. 15. We order them in December, they arrive in Feb. or March, and are distributed in April and Recital Pictures are done in April or May. Costumes are \$70 for each costume for child sizes and \$80 for adult. This fee covers the cost of the costume, the many hours spent selecting costumes, making the class costume book, measuring every student, assigning the proper sizes, making spreadsheets, ordering, taking inventory when they come in, and holding the costume distribution meetings. Any alternations that need to be done, are your responsibility. Note: Anyone who registers AFTER Dec. 15 (after order has been placed) will have an extra \$20 late rush fee added to the total cost. Once recital costumes are paid for, there will be no refund, even if your child later withdraws, but you will still get the costume.

COMMUNICATION:

We do 98% of our information and communication by e-mail. It is **crucial** that we have at least one good email on file for a responsible person who will **check it frequently**. We will send newsletters and emails notifying you of upcoming important events, charges, closings, etc. We will also post all our important information on our bulletin boards at the studio. Please check them every time you come in. We suggest you also "like" and follow us on Facebook, **The PAC Dance Studio** or Instagram **thepac_dancestudio** for even more studio news!

We try to be very thorough in our communication, so if you read your emails, you will always know what's going on.

PERMANENT CANCELATION OF WEEKLY CLASSES:

We require at least 4 students to permanently keep a class open. If after about 6-8 weeks of the start of classes a class has less than 4 students in it, we may possibly ask you to pick another class that works for you. If no other class works for you, you will be withdrawn at the end of the month. No refunds will be given for registration or past tuition. It is highly unlikely this will happen.
